Notice Period: Immediate Joiner

SUMMARY

Front-End React JS Developer with 3+ years of experience building scalable, high-performance web applications using React.js, Next.js and TypeScript. Strong expertise in reusable component architecture, RESTful API integration and state management (Redux Toolkit). Improved application speed by 35% and enhanced code reusability by 25% across projects.

SKILLS

Languages: JavaScript (ES6+), TypeScript, HTML5, CSS3

Frameworks/Libraries: React.js, Hooks, Context API, Next.js

State Management: Redux Toolkit, Global State Management

UI & Styling: Tailwind CSS, Material UI, Bootstrap, Responsive Design, Cross-browser Compatibility

API & Integration: REST API, Axios, Fetch API, CRUD Operations

Performance: Lazy Loading, Performance Optimization

Tools: Git, GitHub, Jira, ClickUp, VS Code

EXPERIENCE

React JS Developer | Excellence Technologies, Noida

09/2023 - 02/2026

- Developed 3+ scalable web apps using React.js and modular architecture.
- Built 30+ reusable UI components, improving development efficiency by 40%.
- Improved application performance by 35% using lazy loading.
- Increased code maintainability by 25% by implementing standardized reusable components.
- Integrated and optimized multiple REST APIs for seamless data handling.

React JS Developer | Digital Solution Tech, Noida

08/2022 - 08/2023

- Connected 15 REST APIs using Axios and Redux Toolkit.
- Reduced UI defects by 20% through structured debugging and testing.
- Converted Figma layouts into React pages.
- Delivered 10 client features within sprint timelines.

PROJECTS

Front-End Developer | Supply Chain Management System (renoon.com)

01/2025 - 02/2026

Supply chain management website

Tech: JavaScript | React | Redux-Toolkit | Material UI

- Architected admin dashboard with 10+ modules (inventory, suppliers, reports).
- Created 25+ reusable UI components for scalable frontend architecture.
- Improved data loading speed by 30% through optimization techniques.
- Managed large datasets with 1000+ inventory records efficiently.

React JS Developer | E-commerce Website (sizeupp.com)

08/2024 - 12/2024

E-commerce website

Tech: JavaScript | React | Tailwind CSS

- Crafted UI for 500 product listings and checkout flow.
- Implemented authentication and order management features.
- Boosted mobile responsiveness and lowered bounce rate 20%.
- Applied lazy loading and optimization techniques to improve page performance.

EDUCATION

React Js Developer (Certification)

08/2021 - 07/2022

Tech Altum Institute, Noida

Bachelor of Science (B.Sc.)

J.P. University, Chhapra
