SUMMARY

Final year BTech student specializing in Computer Science IoT with strong expertise in React.js, JavaScript, and modern web technologies. Passionate about integrating Generative AI with frontend development. Proven track record in building scalable applications and IoT solutions. Seeking to leverage technical skills in React.js and emerging AI technologies at a growth-oriented organization.

TECHNICAL SKILLS

Programming Languages: Java, JavaScript, ASP.NET

Tools and Platforms: Git, GitHub, Chrome DevTools, VS Code,

Coursework: : Data Structures and Algorithms, Operating Systems, Object Oriented Programming, Database Management System, Software Engineering.

WORK EXPERIENCE

CHETU INDIA

ASP.NET TRAINEE

- Developed and maintained scalable web applications using ASP.NET Core and C, focusing on building back-end logic .
- Designed SQL Server queries and stored procedures to ensure efficient data retrieval maintaining high application performance.
- Actively participated in the full SDLC within an Agile environment.

PROJECTS

ONLINE EXAMINATION SYSTEM

ASP.NET CORE, MVC AND MS SQL SERVER

- Integrated a real-time exam timer for time bound assessments.
- Build automatic answer evaluation and result generation system.
- Ensure data validation and secure login authentication systems.

Realtime Chat Application

- Built chat system supporting 20+ concurrent users via WebSocket, ensuring real-time delivery with less than 2 second delay. *React.js, Node.js, Bootstrap, HTML.*
- Implemented local Storage, reducing message loss issues by 90 percent.

QuickQR Web Application

- Developed a responsive QR code generator used by 200+ users, utilizing JavaScript, CSS, and HTML. *JavaScript , CSS, HTML, API.*
- Enhanced user engagement by 25 percent through intuitive UI/UX improvements.
- Integrated APIs, reducing code generation time by 50 percent.
- Documented project and presented at college seminar, improving presented and technical documentation practice.

EDUCATION

Greater Noida Institute of Technology
Computer Science And Engineering-IoT

AUG 2022 – Present

Kendriya Vidyalaya, Ayodhya cantt
Intermediate

APR 2021 – MAY 2022

Kendriya Vidyalaya, Ayodhya cantt
High School

APR 2019 – MAY 2020
