

YOGITA JOSHI

Frontend Developer · Growing Full-Stack Engineer

Haldwani, Nainital, Uttarakhand – 263139 · yogitajoshi603@gmail.com · +91 98708 90691 · LinkedIn

Frontend Developer with 2+ years of hands-on experience building responsive, high-performance web applications using React.js and Next.js. Proven ability to deliver seamless user experiences, integrate REST APIs, and write clean, scalable code. Recently expanded into backend development — building foundational skills in Node.js, NestJS, SQL, and PostgreSQL, and actively contributing to API development. Eager to grow as a full-stack developer.

EXPERIENCE

React.js Developer **CodeByte Solutions** · Pune, Maharashtra

Feb 2025 – Apr 2026

- Built and maintained responsive UI components using React.js, ensuring cross-browser compatibility and mobile-first design.
- Integrated REST APIs to connect frontend interfaces with backend services, and ventured into backend development — creating and contributing to APIs using Node.js and NestJS, steadily expanding hands-on experience beyond the frontend.
- Participated in code reviews, debugging, and performance optimisations to improve overall application quality.

Software Developer **WIMD Technologies** · Bengaluru, Karnataka

Mar 2024 – Jan 2025

- Machanas (machanas.com) — One-stop platform for purchasing, maintaining, and servicing industrial machinery; built a user-friendly interface ensuring smooth navigation, mobile responsiveness, and efficient performance.
- Isikko (isikko.com) — All-in-one travel management platform for businesses; led the design of an intuitive customer-facing interface to streamline bookings, payments, and travel operations.

Software Developer Intern **Hybrowlabs Technologies** · Pune, Maharashtra

Nov 2023 – Jan 2024

- Worked as a React Developer, combining React with Frappe to build dynamic, interactive web interfaces.
- Developed responsive layouts and interactive UI components; integrated APIs and managed application state using best practices in component design.
- Optimised frontend performance and ensured code quality through consistent use of clean, maintainable patterns.

SKILLS

Languages & Frameworks

HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Node.js (basics), NestJS (basics), MERN (basics)

Backend & Databases

REST API Development (basics), SQL (basics), PostgreSQL (basics)

Styling

Tailwind CSS, CSS Modules, Responsive Web Design

Tools & Practices

Git, GitHub, API Integration, Component-based Architecture, Performance Optimisation

EDUCATION

Bachelor of Science

Kumaun University, Nainital
